

**Minutes of Annual Membership Meeting of the SCS Niners Golf Club
November 2, 2023**

On November 2, 2023, a scheduled general meeting of the Golf, Men's Niners Club membership, was called to order at 7:10 AM. President Garry Garcia began the proceedings, noting that the meeting was being held principally to conduct club elections. Said election had been noticed regularly over the past 60 days. Gary then called for the issuance of awards to those members who won and placed in the Club championship tournament. Vice President, Graham Booker, then gave out the awards.

At that point the meeting was turned over to Nominating Chairman, Tipton Omohundro, who presided over the scheduled Club election. After confirming the presence of a quorum, pursuant to Club Charter, Tipton read out the proposed slate of Club officers for 2024, one which previously had been published to the membership. He then called for any other nominations for officer positions. When no other nominations were offered, Tipton asked for a motion to elect by acclamation, the proposed slate. A motion was made and seconded. Thereafter, a vote of the membership was taken. By unanimous acclamation, the members voted to elect as Club officers for 2024, all those individuals put forth on the proposed slate. Among those elected, were Hugh Lichter, President, Louie Medrano, Vice President, Michael (Doc) Meeks, Treasurer, Steve Brenner, Secretary, and Raul Gonzalez, 2d Vice President and Membership Chairman.

There being no further business, a motion was made and seconded to adjourn. The General meeting was adjourned at approximately 7:30.

Steve Brenner
Club Secretary
